

You are invited to the Australian Grape and Wine Authority, Regional's WA program - 2015 field days

Margaret River field day

Date: Tuesday 26th May

Location: Howard Park Winery (in the new "WINE CHAPEL" room), Miamup Road Cowaramup

Time: 8:30am – 12:00pm with coffee from 8:00am and lunch provided at 12:00pm

Cost: Free for levy paying wine grape industry stakeholders, otherwise \$25.00 at the door

Swan Valley field day

Date: Thursday 28th May

Location: Faber Vineyard, 233 Hadrill Road Baskerville

Time: 8:30am – 12:00pm with coffee from 8:00am and lunch provided at 12:00pm

Cost: Free for levy paying wine grape industry stakeholders, otherwise \$25.00 at the door

On the day

- ✓ Tony Proffitt from AHA Viticulture will provide you with information about Unmanned Aerial Vehicles (UAVs or drones) and their potential use in vineyards. One or more UAV's will be available to look at.
- ✓ Glynn Ward & Rohan Prince from DAFWA will demonstrate the "MyPest" app for grape pest & disease surveillance and diagnosis, and provide you with the latest results from the "More dollars for your drop" water use efficiency demo site.
- ✓ After morning tea, Dr Mardi Longbottom from the AWRI will discuss outcomes from the Department of Agriculture (Australian Government) funded, fertiliser efficiency trials.
- ✓ David Botting from the Howard Park winery will show you the different techniques they have trialled to manage extreme heat and wind events in the vineyard.

RSVP: Phone Jodie on 9284 3355 or email reception@winewa.asn.au
